SCoRE Standards – status update

The AMI-SeCo is invited to take note of the SCoRE standards for Corporate Actions.

- The fatal flaw review process is ongoing (as part of the regular cycle).
 - March 2023: Some updates were introduced to align with the November 2023 ISO release.
 - June 2023: As requested in the AMI-SeCo, the SCoRE Corporate Actions Standards were sent for review for fatal flaws. The CMH/ASEG had reviewed the Standards in the meantime.
 - November 2023: An additional question was raised which was further analysed (see next slide).
- After the fatal flaw review, the updated Rulebook will be submitted to the AMI-SeCo for a final written procedure.

SCoRE Corporate Actions Standards

A pre-advice (CAPA) message: a pre-advice of movements must be sent at close of business at record date.

The CA rulebook will revert back to the agreed 2021 formulation (i.e. footnote returns to the original text).

3a. Movement Preliminary Advice (CAPA) [ca.3.01]

1. After calculation of the entitlements at close of business on the record date³⁹ of the corporate action, a *Movement Preliminary Advice* message containing the final entitlements and movements must be sent.
2. The *Movement Preliminary Advice* message should be sent at account level and provide information on all options and resulting movements (calculated based on eligible positions) applicable to a given event.
3. For mandatory with choice and voluntary events, the *Movement Preliminary Advice* message should be sent after the election instructions have been accepted. It should contain the aggregated entitlement from all instructions accepted for the given account at the time the message is sent.
4. If additional instructions are accepted after the *Movement Preliminary Advice* has been sent, then a replacement *Movement Preliminary Advice* should be sent to reflect the new aggregated cash and/or security movements for the given account following the receipt of the additional instructions.
5. The CAPA message should contain the following key data elements:

³⁹ A *Movement Preliminary Advice* may also be sent prior to the record date for information.
