

FUSION OPEN ACCESS

Future of commerce is open

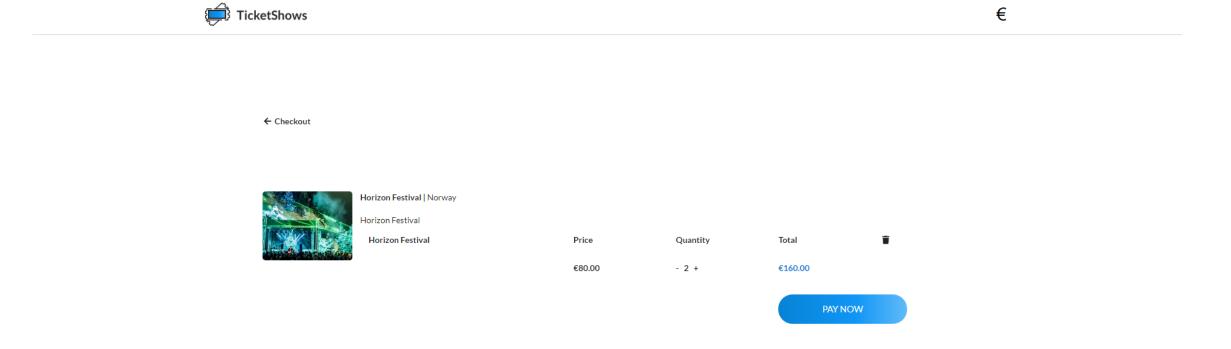

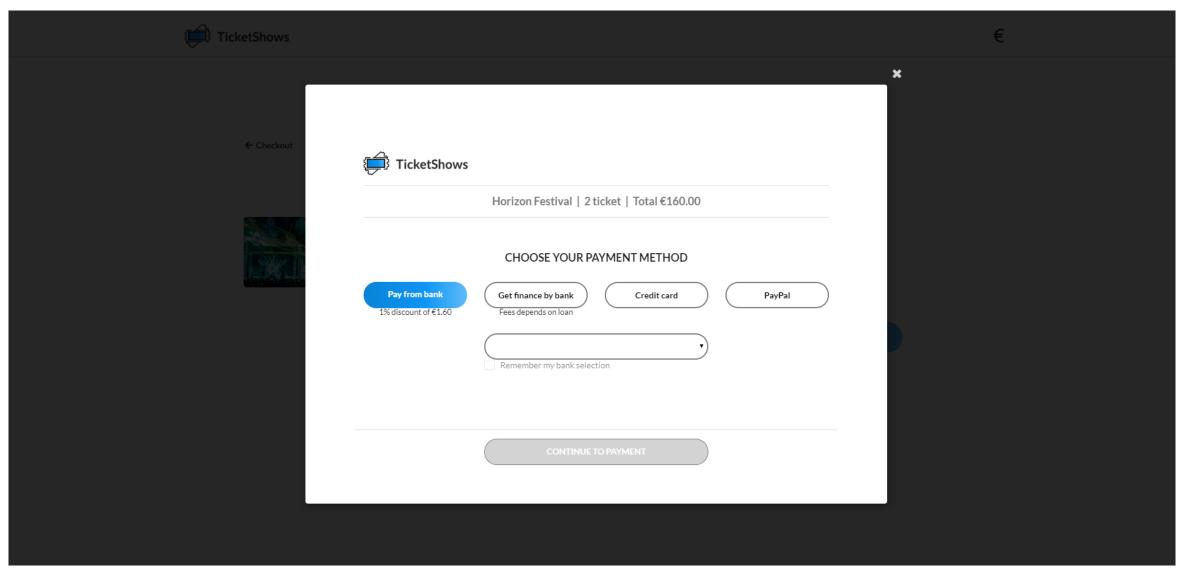

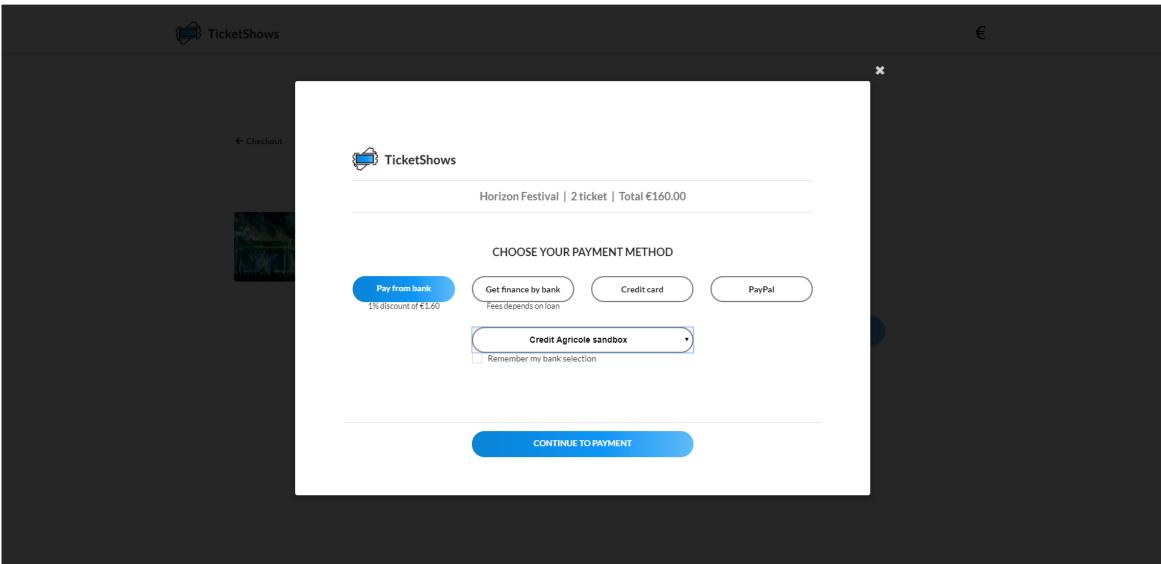

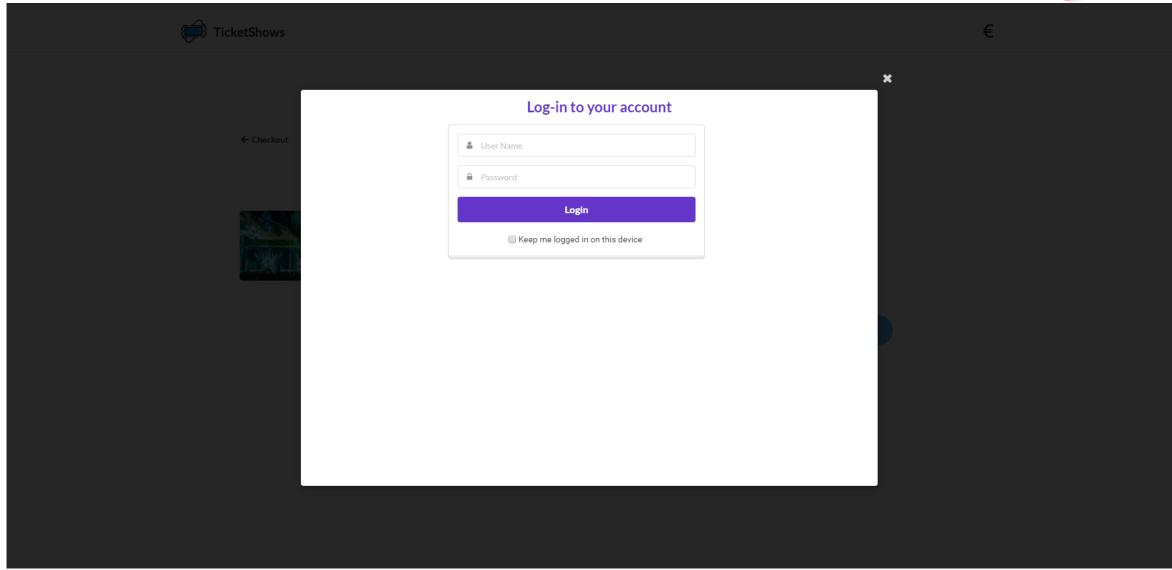

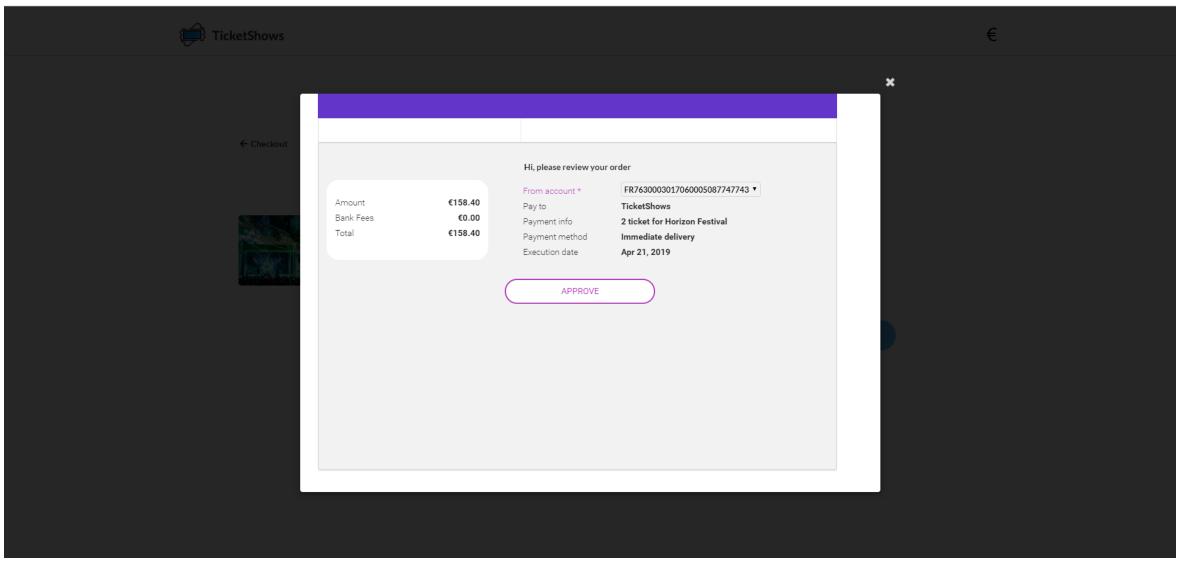

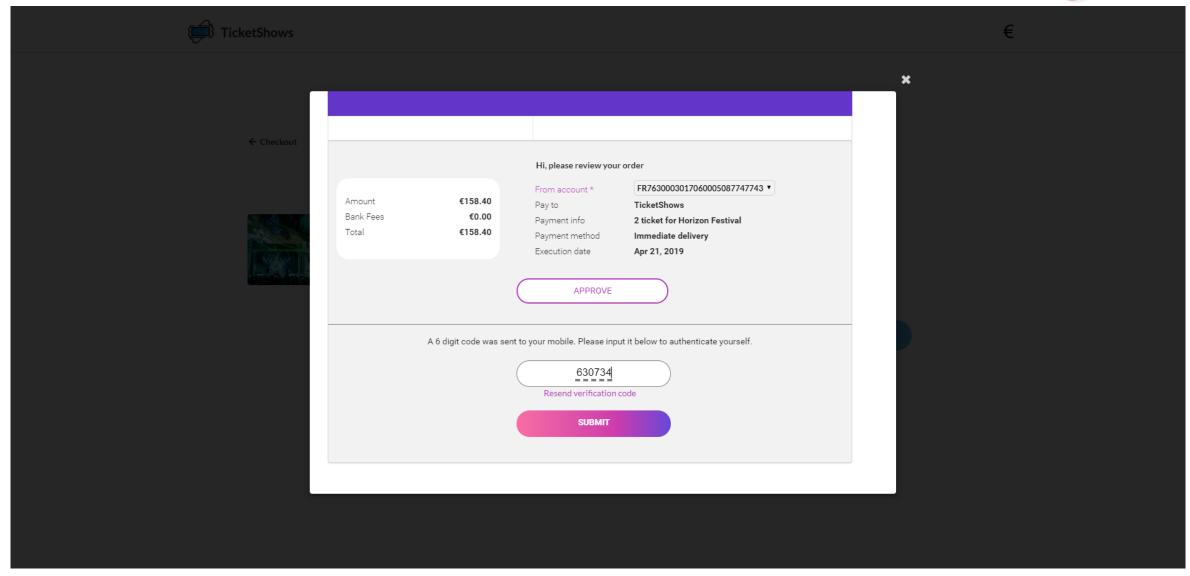

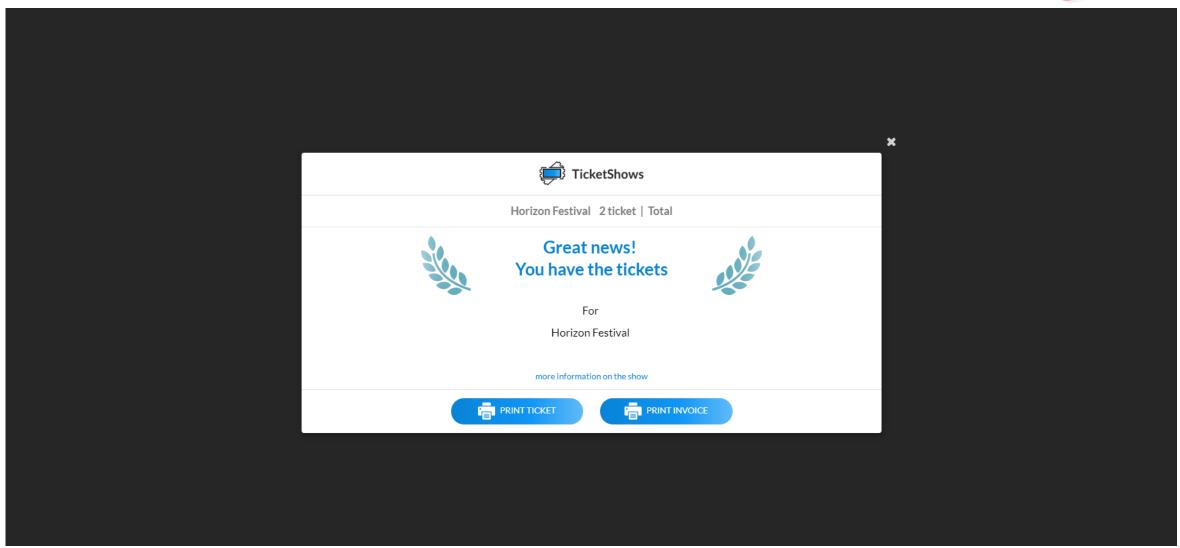

HOW IS IT HAPPENING?

TPP ASPSP Market **PISP Ticketshows** Request to pay (SCTinst) SCTinst (TIPS) e-commerce CRÉDIT AGRICOLE TicketShows **SCTinst TIPS** tarqet SCTinst (TIPS) **Deutsche Bank**

WHAT'S IN IT FOR ME?

For merchants

For consumers

Cheaper

Incentive/Benefits

Faster cash flow

Frictionless & seamless

SUMMARY

SCTinst works best with Open banking

B2C & B2B are the leading use cases

Money in the merchant account within 10 seconds is better than cash

Rich ISO20022 allows better data monetization Easier reconciliation for the merchant = reduced costs and lower TCO

Winner would be customer experience
